Business Council of the Polish Clinical Trials Network is recruiting!

In connection with the appointment of the Polish Clinical Trials Network by Radosław Sierpiński, PhD, acting President of the Medical Research Agency, we would like to invite you to participate in the recruitment for the Business Council.

Participation in the Business Roundtable is pro bono and membership in this structure will allow you to have a real impact on creating the direction and strategy of clinical research in Poland and building a platform for its further development. Significant changes in the development of clinical research in Poland are only possible with the participation and experience of the largest stakeholders of the clinical research market in the country.

Therefore, members of the Business Council of the Polish Clinical Trials Network can become:

- representatives of the pharmaceutical industry,
- representatives of the members of the Polish Association of Employers of Companies conducting Clinical Research on Commission (POLCRO),
- representatives of the members of the Employers' Union of Innovative Pharmaceutical Companies (INFARMA),
- as well as representatives of associations, foundations and organisations acting on behalf of patients participating in clinical trials.

Application deadline: 21. 06. 2021
